as one unit in calculating the denominator, for the respective housing goal. HUD will apply this temporary adjustment factor for each year from 2001 through 2003; for the year 2004 and thereafter, this temporary adjustment factor will no longer apply.

(12) *HOEPA mortgages and mortgages with unacceptable terms and conditions.* HOEPA mortgages and mortgages with unacceptable terms or conditions as defined in §81.2 will not receive credit toward any of the three housing goals.

(13) *Mortgages contrary to good lending practices.* The Secretary will monitor the practices and processes of the GSEs to ensure that they are not purchasing loans that are contrary to good lending practices as defined in §81.2. Based on the results of such monitoring, the Secretary may determine in accordance with paragraph (d) of this section that mortgages or categories of mortgages where a lender has not engaged in good lending practices will not receive credit toward the three housing goals.

(d) *HUD review of transactions.* HUD will determine whether a class of transactions counts as a mortgage purchase under the housing goals. If a GSE seeks to have a class of transactions counted under the housing goals that does not otherwise count under the rules in this part, the GSE may provide HUD detailed information regarding the transactions for evaluation and determination by HUD in accordance with this section. In making its determination, HUD may also request and evaluate additional information from a GSE with regard to how the GSE believes the transactions should be counted. HUD will notify the GSE of its determination regarding the extent to which the class of transactions may count under the goals.
